*Registration required or fees may apply.

Contact RVCC for details 452-9944

Drop in activities are normally free with no registration required.

Detailed programming calendar is posted monthly on our website,
www.riverviewcc.ca.

Be sure to sign up for the South Osborne bugle to receive advance notice about all of our new programs and special events. E-mail gm@riverviewcc.ca

And ask to be added to the list. The bugle is a free e-newsletter and does not contain any ads or spam. More than 300 families in the Osborne South area get their community news from the bugle!

President's Message

Notice any changes? Finally, it looks like the parking lot is done and we have the new slide and water feature in the wading pool. But there's more. In the Fall, the bathrooms will be renovated. Watch for the line of Port-a-Potties outside to compensate for the disruption in the bathrooms.

Also, the playground will be expanded and all the equipment replaced, except the climbing rock. More details on this in this Reflector.

We have been fortunate in having several grants approved but improvement are also the result of your donations to the Club and the hard work of volunteers to make this happen. We'd also like to recognize the support of City employees and our local representatives - Jenny Gerbasi, Diane McGifford and Anita Neville in supporting the community centre.

Bev Suek

RVCC Board Meeting – February 19th, 2009

FINANCIAL REPORT:

A variety of costs are up, including unforeseen building repairs: carpets, emergency lighting, sprinklers, fire extinguishers, heating, dishwasher, tractor and the sump-pump. Fund-Drive deposited \$9,000, with a projected further \$3,000. Rentals stand at more than \$11,000.

The RVCC is likely to be subjected to GST in the upcoming year due to increased revenues. Reflector is in a less than favourable situation, but invoices for advertisers have yet to be distributed. Carnival covered its costs more than adequately, hockey was profitable as well.

ANNUAL FINANCIAL STATEMENTS

The annual financial statement for 2008/9 were reviewed. Profits were disproportionate for non-profit sports: this must be addressed. Future uniform/equipment purchases may offset this surplus..

GRANTS

RVCC has been approved for grants; two Canada Summer Jobs positions, two Green-Team positions; one for outdoor maintenance positions and one for running the drop in programs. This allows the RVCC to employ a variety of people to fulfill all the tasks the Centre needs: painting the building and maintaining the fields. Families Forward grants were also approved. GCWCC has approved \$27,000 for our bathrooms, and we received a further \$30,000 through Community Places. Thus, we have \$57,000 for newer, better bathrooms, which ideally will be built in the fall, before hockey begins. Dave Kressock is aiding us with the preliminary details.

NEW TREASURER

Charlene moves to nominate Léonne Bilodeau as treasurer, seconded by Ryan.

DROP-IN SOCCER

From May to August, our fields are booked by the city. Jino discusses potential drop-in soccer programme for children. Carla discusses the complex situation with the city's relationship with our fields.

HOCKEY

Ryan reports on progress with hockey organizations. People increasingly view the Fort Rouge Hockey Association (FRHA) as an increasingly organized entity. Committees have agreed that if kids are to be moved, they will be moved in groups of three to retain some unity between similar athlete groups.

We will have tryouts and online registrations as well. Ryan discussed details of independent online registration. Fort Rouge Hockey Association will also endeavour in the future to help smaller local clubs register kids for their teams. Parents will be able to pay online, using "IT sports." Challenges that online registration poses were discussed. The costs of organizing an IT sport system has been covered by an ancillary fee in the case of other community centres, but potentially could also be covered by the surplus funds possessed by the FRHA.

CLIMATE CHANGE PROJECT

Carla discusses the possibilities of the Climate Change Project. .

PLAYGROUND UPDATE

Bev discusses playground work. Proposals will be accepted from contractors.

RIFLE CLUB

They will be moving out of the building on September 1st. It was agreed that RVCC can be flexible on the date if they have difficulty finding another space.

GARAGE SALE

Steve Lennon ran the garage sale. The sale made \$600 last year, and \$2000 was made this year.

SUMMER CAMPS

Registration is going very well, with weeks one and three having a large number of registrants needing additional staff. The summer camps will be financially viable.

CONSTITUTION

Bev discusses the changes in the constitution, which may be changed by next March. Sports convenors and their obligations to attend board meetings were discussed.

USE OF CHEMICALS ON THE FIELDS

There was a discussion on the use of chemicals. Possible biological alternatives were proposed as well as the need to discuss the need for a specialist's opinion on field maintenance.

SPORTS CONVENORS

Laura McMaster will act as Co-Convenor of Basketball. Hugo discusses the gradual decline of basketball registrations. Lori discusses the U12 boys being in 1st place. U15 girls are 1st in the city.

OTHER

A piano was donated to the club by Julie Coy.. Carla also discussed the challenges of our field maintenance work.

Bistro 71/4 donated \$100 to reward the canvassers.

South Osborne Urban Community Cooperative

On behalf of the South Osborne Urban Community Cooperative, Inc., Evan Bowness and Jesse Thorne-Finch would like to thank the farmers, gardeners, artisans, crafters and of course our neighbours who made our June 27th Benefit Fundraiser and our August 16th Urban Market such successes! We would also like to thank the volunteers who contributed their free time to our cause: Michael Brown, Kelly Van Caeyzelle, Chris Staniforth, David Diaz-Fullerton and most importantly Kristin Reynolds. We'd furthermore like to thank the bands who joined us at the fundraiser, Rude Dale and The Upsides, and Will Grierson and Dale Howard who played at the Market. Finally, thanks to all the South Osborne Businesses and the Riverview Community Centre (and its staff!) who helped make our events this summer a possibility. Watch the Reflector and the bugle to learn more about the South Osborne Urban Community Cooperative's upcoming events!

Riverview Chosen!

Riverview has been chosen as a Manitoba community to participate in a 4 year project to take action to reduce greenhouse gas emissions and fight climate change. Fourteen rural and urban centres or neighbourhood organizations, including Riverview, have been selected for funding under this new initiative. Riverview will be working together with the Manitoba Government and will receive support for local projects and activities that reduce GHG emissions.

Early action to reduce greenhouse gases is wise because the cost of climate change can be significant. There are spin-off benefits such as costs savings for individual households, improved public health and safer, cleaner communities. Individual citizens can also play a large role by changing the way they use energy and water, how they dispose of waste and what type of transportation they use.

The province is supporting community-led initiatives to reduce greenhouse gases. The one in which Riverview will be participating is called the Community Led Emissions Reduction (CLER) program pilot aimed at helping more Manitobans contribute to the fight against climate change.

As participants in the program, Riverview will be working through five stages before 2012:

- creating a baseline inventory and forecast of GHG emissions
- setting targets for GHG reductions
- creating a local action plan with public input
- implementing projects and activities in the local action plan
- monitoring, measuring and reporting on progress

The action plan may include projects and activities in the areas of waste-reduction, water management, transportation, energy measures, green procurement, green landscaping and lawn care measures and land use measures.

A Climate Change committee is being established to plan and oversee the implementation of projects. If you are interested in participating on the committee, please contact Dennis Cunningham, Interim Chair, at d.e.cunningham@shaw.ca or Carla Chandler, General Manager at gm@riverviewcc.ca or 452-9944.

Within the next month, a half time Co-ordinator will be hired to assist the committee. If you have ideas for climate change projects, watch for more information on the website or in the Bugle for the name and contact information for the Co-ordinator.

SONS AD

Local Job Opportunity Community Climate Change Champion

Riverview C.C. is seeking to hire an individual who possesses the organizational and communication skills, as well as the boundless energy and enthusiasm required to ensure our neighbourhood is a successful program participant in the CLER program. Blurb from the Editor

Hello fellow Riverviewers,

So our summer, as far as it seems, has come and gone, and fall time is just around the corner. It seems to me that this summer has been a dismal one in terms of hot days and blue skies. But I guess it is still better of having a full year of -30 and blustery northern winds!! I hope that everyone has had a productive spring and summer, got projects done or well underway that you had planned to complete this summer. I know my family and I have succeeded in redoing our front walk and stairs, which has brought us to the conclusion that we need to redo our porch and paint the house!!...Does it ever end?!?! Well here is to the summer of 2009, and the upcoming Fall and Winter. May it be gentle on us all.

Rob Mazur

P.S. Ideas, beefs or bouquets for the Reflector can be emailed to: riverviewreflector@shaw.ca

Playground Updated

For years, the playground has remained the same, with few changes. No new equipment could be added because the structures were "grandfathered"; they were too close together and did not meet today's standards. Some parents have complained about the climbing structure, as the gaps are too far apart for smaller children. The City looked at possibilities for improvements and decided to replace and expand the entire playground.

A contractor has been chosen and work on the playground will begin in the Fall. Everything is being replaced, except the climbing rock. The playground will be extended to the area behind the day care, with that area for children under 6 years old and the existing area for older children.

The playground equipment chosen is innovative and creative, combining the climbing and swinging equipment with a musical area and a pretend stage for pre-schoolers.

Picture of the new structures will be on display at the community club soon. Come down and take a look!.

Girls Need Guides

For fun, friendship and adventure!

All levels meet on Thursday nights at
Churchill Park United Church.

Sparks (5-6 yrs) from 6:30-7:30pm
Brownies (7-8 yrs) from 6:30-8:00pm
Guides (9-11 yrs) from 6:30-8:30pm
Pathfinders (12-14 yrs) from 6:30-8:30pm

Registration is happening on Thursday, Sept. 10th from 6:30-8:00pm
at Churchill Park United Church (525 Beresford Ave)
Please contact Kristi Sloboda at 774-7894 for more details

Community Announcements

Grand Opening: My name is Koulab Phommarath, and I would like to announce the Grand opening of Cham-pa Bistro and Sports Lounge at 696 Osborne Street. More info to follow in the next Reflector. In the meanwhile we look forward to serving the people of Riverview with great food and service!!

Wanted: Person to do occasional accounting for a small business. If interested, please call Bev, 452-4925

Items for sale - Call Donna @ 452-6308

1 upright Kenmore freezer (2000) 24"x 26"x 51"h	\$200.00
1 futon hardly used on metal frame (black)	\$200.00
1 wooden desk 60" x 30" x 30"h	\$100.00
1 coffee table glass top light wood with bottom shelf	\$40.00

Childcare needed: We are looking for someone special to share their love, compassion and guidance with an amazing 3 year old, and newborn to come in December. We are located in Riverview and are looking for a nanny to come to our home. My husband and I run a business and I work part time at the business. I need approximately 30 hours per week. We are looking for someone who is excited to explore the world with a busy pre-schooler and the baby to come, must be loving, responsible, caring, patient and gentle. A suitable car and clean drivers licence is needed, we will provide a car seat and gas money. I would like someone who would be comfortable taking her to and participating in activities such as gymnastics or Kindermusic etc. She loves to be outside in the summer and winter so trips to the park, wading pool and playing in the snow are expected. She loves books, arts & crafts and imaginative play. We have a dog that goes to work every day but he might be around a little bit. If interested contact:Patti Backman;
patti@phoenixrecycling.ca, home: 452-5788, work: 222-5096.

Pilates Level 1! Saturdays 10:30-11:30am October 3rd-November 21st.

This 8 week program will introduce students to Stott Pilates: basic principles, warm-up, and introductory exercises. We will start gently, and gradually build up to a challenging workout that focuses on posture, breathing, and abdominal strengthening. No experience or special equipment required. Just bring a bath towel, and wear comfortable clothes.

\$88.00 for the 8 week session. (sorry, no drop-ins)
contact Pauline Johnson pj1163@yahoo.ca, or phone 282-4866

Annual Fund Drive Raises Over \$13,500

THANK YOU RIVERVIEW!

Thank you so much to everyone who donated and made this year's campaign such a success! Your generosity is appreciated, and this local support enables the programs and facilities available at our community club. The continuing success of the fund drive is just another example of what a great neighbourhood this is, and how the club is the heart of our community!

A special acknowledgement goes out to our volunteer canvassers. The weather was less than optimal for canvassing this spring, but thanks to you, this fund drive is the highest in recent history! Thanks for your valuable time and enthusiasm!

Many thanks to our zone captains: Janelle Cancade White, Sonia Duma, Caitlin Kowall and Lisa Sinnicks who helped keep us organized.

We would also like to thank **Bistro 7 ¼** for their generous donation of the two gift certificates that were used as an incentive and a small "thank you" for our canvassers. The lucky winners were Lori Keith and Terry Welsh.

Just in case we missed any household who would still like to make a donation, please don't hesitate to contact us. Or, you can always drop a cheque at the Club. 2009 tax receipts will be issued by the City of Winnipeg for all donations received by December 31, 2009.

Pat Fedirchuk & Janet Ledger, 2009 Fund Drive Co-chairs

Interested in getting involved next year? The position of 2010 Fund Drive Coordinator(s) is currently available! The routes are setup, all the documents used are available, a wonderful group of volunteers – all that's needed is someone to organize the drive. Please call Pat at 452-3250 or email TheFeds@mts.net for more info.

Summer Adventures Day Camp - 2009

This year marked the end of another successful season of Summer Adventures at Riverview CC! Due to popular demand, Riverview again hosted 8 weeks of Day Camps for children aged 6-12. This year's camp was run by Sheena Gumbrell and Aaron Fraser (AKA Mr. Cheese), who did an excellent job of planning and implementing the camps. They were assisted by Kathleen, Brenda, and many others who took time out of their summer to help supervise and run activities with the many children registered in the camp.

This year's camp saw a variety of children, both from Riverview and beyond participating. Each week of themed activities had between 20 and 35 registered children, with some weeks being so popular that extra staff and junior counsellors were enlisted to help!

The camp was run from Monday to Friday from 7:30 a.m. until 5:30 p.m. A typical day's activities included crafts, cooking, races, scavenger hunts, team sports and wet activities such as attack of the flying sponges, as well as various field trips to places like Oak Hammock Marsh, A Winnipeg Blue Bomber Practice, IMAX theatre, Bird's Hill Park and more!

Thank you to everyone who joined us this summer. We hope you had a great time! If you missed us, please email summercamps@riverviewcc.ca with your email and information, and we will add you to our mailing list for next summer!

Camp experience surveys as well as official child-care receipts will be mailed out shortly. Please take a moment to fill out the evaluation form - this provides us with valuable information that can help us to improve our programs for the future. Surveys are available at the club, or online at our website at www.riverviewcc.ca. Completed surveys can be submitted electronically to gm@riverviewcc.ca or if you prefer, by handing in a paper copy to the RVCC office.

Stylists Jane Wilson, Donna Brager, Malann Klassen and "Girl Saturday" Zoe Henry welcome Melissa Plett to pingk hair care etc.
